Subject Index Vol 15, 2002

Key to Abbreviations

bkrv — book review
bn — board news
br — brief report
corr — correspondence
cr — clinical review
crHIV — current report-HIV
e — editorial
mem — in memoriam
mp — medical practice
oa — original article
refl — reflections in family practice
sp — special communication
step — STEPped-care
w — world perspective
x — correction

4-Butyrolactone. Treatment of a young adult taking gamma-butyrolactone (GBL) in a primary care clinic (Herold & Sneed) 161-br

Abdominal Neoplasms. Large, complex, benign cystic teratoma in an adolescent (Huntington et al) 164-br

Abnormalities. Maternal Smoking and congenital birth defects (Morgan) 85-corr (Woods) 85-reply

Abused Women. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Accidental Falls. Falls in rural elders: an empirical study of risk factors (Richardson et al) 179-oa

Acidosis, Lactic. D-Lactic acidosis in a diabetic patient with a short bowel (Azhar & Beach) 316-br

Acne Rosacea. Diagnosis and treatment of rosacea (Cohen & Tiemstra) 214-cr

Acquired Immunodeficiency Syndrome. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

Acupuncture Therapy/adverse effects. Apparent adverse outcome of acupuncture (Leavy) 246-br; Acupuncture and endocarditis (Evans) 432-corr, (Rieb 433-corr (Leavy) 433-reply

Acupuncture. Characteristics of licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 378-oa

Characteristics of visits to licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 463-oa

Adrenergic beta - Agonists. Higher expectations for management of heart failure: current recommendations (Abraham & Scarpinato) 39-cr

Aged. Falls in rural elders: an empirical study of risk factors (Richardson et al) 179-oa

Prospective study of brief neuropsychological measures to assess crash risk in older primary care patients (Lesikar et al) 11-oa

Age-Related Maculopathies – see Macular Degeneration. Alcohol Drinking.

Alcohol Drinking. Relation between alcohol consumption and C-reactive protein levels in the adult US population (Stewart et al) 437-oa

Alprazolam/adverse effects. Alprazolam-induced panic disorder (Bashir & Swartz) 69-br

Alzheimer Disease. Lewy body dementia: a case report and discussion (Khotianov et al) 50-mp

Long-term treatment of mild to moderate Alzheimer disease in a 77-year-old female patient (Gillette) 420-br

American Board of Family Practice. Eighth annual Nicholas J. Pisacano, MD, memorial lecture: family medicine equals power (Bishop) 234-sp

Heroes lost – 11 September 2001 80-bn

New executive committee and board members elected 428-bn

New executive director to start January 2003 172-bn

Paul Young, MD, retires after 42 years of service to the specialty 338-bn

Amphetamines. Adderall-induced psychosis in an adolescent (Surles et al) 498-br

Angiotensin-Converting Enzyme Inhibitors. Higher expectations for management of heart failure: current recommendations (Abraham & Scarpinato) 39-cr

Antibiotics. Clinical judgment predicts culture results in upper respiratory tract infections (Bloom et al) 93-oa

Antidepressive Agents. A case of SSRI-induced hyponatremia (Corrington et al) 63-br

Antiretroviral Therapy, Highly Active. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

Anti-Ulcer Agents. Acute manic psychosis induced by triple therapy for *H pylori* (Neff & Kuo) 66-br

Anxiety. Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Arrhythmia. Sleep apnea: from the nose to the heart (Cutler et al) 128-cr; Management of sleep apnea (Clemenson) 433-corr

Arterial Occlusive Diseases. Successful pharmacologic treatment of lower extremity ulcerations in 5 patients with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Arthritis. Asthma exacerbation associated with glucosamine-chondroitin supplement (Tallia & Cardone) 481-mp

Asthma. Asthma exacerbation associated with glucosamine-chondroitin supplement (Tallia & Cardone) 481-mp

Attention Deficit Disorder with Hyperactivity. Adderall-induced psychosis in an adolescent (Surles et al) 498-br

Attitude to Computers. Introduction of handheld computing to a family practice residency program (Rao) 118-oa

Automobile Driving. Prospective study of brief neuropsychological measures to assess crash risk in older primary care patients (Lesikar et al) 11-oa

Autonomic Nervous System. Sleep apnea: from the nose to the heart (Cutler et al) 128-cr; Management of sleep apnea (Clemenson) 433-corr

Battered Women. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Behavior and Behavior Mechanisms. Physician-patient communication in the primary care office: a systematic review (Beck et al) 25-oa

Benzodiazepines/adverse effects. Alprazolam-induced panic disorder (Bashir & Swartz) 69-br

beta-Adrenergic Agonist – see Adrenergic beta - Agonists.

Biological Markers. False-positive troponin I in a young healthy woman with chest pain (Ringdahl & Stevermer) 242-br

Blood Glucose Self-Monitoring. Assuring the accuracy of home glucose monitoring (Alto et al) 1-oa

Board news. Heroes lost – 11 September 2001 80-bn

New executive committee and board members elected 428-bn

New executive director to start January 2003 172-bn

Paul Young, MD, retires after 42 years of service to the specialty 338-bn

Body Mass Index. Prevalence of obesity in adult population of former college rowers (O'Kane et al) Nov oa

Book Reviews.

Allergy in Primary Care (Altman et al) [Patricoski] 89-bkrv

Brief Mental Health Interventions for the Family Physician (Bloom & Smith) [Kramer] 176-bkrv

Burgerstein's Handbook of Nutrition: Micronutrients in the Prevention and Therapy of Diseases (Zimmermann) [Dickson] 259-bkrv

Clinical Epidemiology and Evidence-Based Medicine: Fundamental Principles of Clinical Reasoning (Katz) [Glazer & Onion] 345-bkrv

Clinician's Handbook of Prescription Drugs (Ehrenpreis & Ehrenpreis) [Moser] 90-bkrv

Clinician's Pocket Reference. Ninth edition. (Gomella & Haist) [Patricoski] 343-bkrv

Comprehensive Gynecology. 4th edition (Stenchever et al) [Cate] 258-bkrv

Conn's Current Therapy 2001. 53rd edition. (Rakel & Bope) [Buchel] 88-bkrv

Current Diagnosis and Treatment in Infectious Diseases (Wilson & Sande) [Bergman] 175-bkrv

Current Medical Diagnosis and Treatment 2002. 41st edition (Tierney et al) [Sharma] 436-bkrv

Emergent Field Medicine (VanRooyen et al) [Kramer] 345-bkrv

Essentials of Diagnosis and Treatment. 2nd edition. (Tierney et al) [Cadwallader] 258-bkrv

Evidence-based Herbal Medicine. (Rotblatt & Ziment) [Kahn] 513-bkrv

Ferri's Clinical Advisor: Instant Diagnosis and Treatment. (Ferri) [Moser] 259-bkrv

Field Guide to Urgent and Ambulatory Care Procedures (James) [Heston] 435-bkrv

Griffith's 5-Minute Clinical Consult 2002. 10th edition (Dambro) [Cadwallader] 436-bkrv

Handbook of Clinical Drug Data. 10th edition (Anderson et al) [Gimlett] 177-bkrv

Handbook of Symptom-oriented Neurology. 3rd edition. (Remmel et al) [Moser] 513-bkrv

Harrison's Manual of Medicine. 15th edition (Braunwald et al) [Buchel] 175-bkrv

Harrison's Principles of Internal Medicine. 15th edition. (Braunwald et al) [Driscoll] 89-bkrv

Health Care in America: Can Our Ailing System Be Healed? (Geyman) [Saultz] 174-bkrv

Hematology in Clinical Practice—A Guide to Diagnosis and Management. Third edition. (Hillman & Ault) [Buchel] 343-bkrv

Mosby's Pediatric Clinical Advisor Instant Diagnosis and Treatment (Garfunkel et al) [Davis] 260-bkrv

Pediatric Emergency Medicine. A Comprehensive Study Guide. 2nd edition (Strange et al) [Moser] 513-bkrv

Pediatric Eye Disease Color Atlas and Synopsis (Hertle et al) [Davis] 344-bkrv

Pocket Companion to Accompany Nelson Textbook of Pediatrics, 16th edition. (Behrman et al) [Kramer] 89-bkrv

Primary Care of the Newborn. 3rd edition (Seidel et al) [Cadwallader] 90-bkrv

Primary Care of Women. 2nd edition. (Carlson & Eisenstat) [Kramer] 514-bkrv

Textbook of Family Medicine: Companion Handbook (Saultz) [Heidrich] 435-bkrv

20 Common Problems in Gastroenterology (Edmundowicz) [Bergman] 344-bkrv

20 Common Problems: Surgical Problems and Procedures in Primary Care (Lynge & Weiss) [Leversee] 91-bkrv

Tyler's Herbs of Choice: The Therapeutic Use of Phytomedicinals (Robbers & Tyler) [Kahn] 88-bkrv

Understanding Medical Information: A User's Guide to Informatics and Decision Making (Jordan) [Chen] 176-bkrv

University of Iowa—The Family Practice Handbook. 4th edition (Graber and & Lanternier) [Adelman] 174-bkrv

Breakthrough Bleeding – see Uterine Hemorrhage.

Breast cancer – see Breast Neoplasms.

Breast Neoplasms/prevention & control. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

Brief Reports. A case of SSRI-induced hyponatremia (Corrington et al) 63-br

Acute manic psychosis induced by triple therapy for *H pylori* (Neff & Kuo) 66-br

Adderall-induced psychosis in an adolescent (Surles et al) 498-br

Alprazolam-induced panic disorder (Bashir & Swartz) 69-br

Apparent adverse outcome of acupuncture (Leavy) 246

Chronic thromboembolic disease in a 43-year-old man (Savoia-McHugh & Menzies) 313-br

D-Lactic acidosis in a diabetic patient with a short bowel (Azhar & Beach) 316-br

False-positive troponin I in a young healthy woman with chest pain (Ringdahl & Stevermer) 242-br

Ischemic colitis associated with herbal product use in a young woman (Ryan et al) 309-br

Large, complex, benign cystic teratoma in an adolescent (Huntington et al) 164-br

Long-term treatment of mild to moderate Alzheimer disease in a 77-year-old female patient (Gillette) 420-br

Malaria recurrence caused by *Plasmodium falciparum* (Omonuwa & Omonuwa) 159-br

Possible leukopenia associated with long-term use of Echinacea (Franco & Kemp) 417-br

Severe complication of a commonly prescribed drug: minocycline-induced lupus (Shepherd) 239-br

Treatment of a young adult taking gamma-butyrolactone (GBL) in a primary care clinic (Herold & Sneed) 161-br

Vacuum erection device use in elderly men: a possible severe complication (Bratton & Cassidy) 501-br

Brucellosis/drug therapy. Human brucellosis (Sauret & Vilissova) 401-mp

Bupropion. First-line pharmacotherapy for tobacco use and dependence (Watts et al) 489-step

Carvedilol – see Adrenergic beta - Agonists.

Case-Control Studies. Accuracy of rapid strep testing in patients who have had recent streptococcal pharyngitis (Sheeler et al) 261-oa; Rapid strep testing (Trotter) 510-corr (Sheeler) 510-reply

Central Nervous System Stimulants. Adderall-induced psychosis in an adolescent (Surles et al) 498-br

Childbirth - see Labor.

Chiropractic. Characteristics of licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 378-oa

Characteristics of visits to licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 463-oa

Chondroitin sulfate. Asthma exacerbation associated with glucosamine-chondroitin supplement (Tallia & Cardone) 481-mp

Choroidal Neovascularization. Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Cilostazol – see Platelet Aggregation Inhibitors.

Clarithromycin/adverse effects. Acute manic psychosis induced by triple therapy for *H pylori* (Neff & Kuo) 66-br

Clinical Competence. Technical competency in flexible sigmoidoscopy (Ramakrishnan) 173-corr

Clinical Laboratory Techniques. Accuracy of rapid strep testing in patients who have had recent streptococcal pharyngitis (Sheeler et al) 261-oa; Rapid strep testing (Trotter) 510-corr (Sheeler) 510-reply

Clinical Reviews. Diagnosis and treatment of rosacea (Cohen & Tiemstra) 214-cr

False-positive troponin I in a young healthy woman with chest pain (Ringdahl & Stevermer) 242-br

Higher expectations for management of heart failure: current recommendations (Abraham & Scarpinato) 39-cr

Sleep apnea: from the nose to the heart (Cutler et al) 128-cr

Thrombocytopenia in pregnancy (Levy & Murphy) 290-cr

Coding – see Forms and Records Control.

Colitis, Ischemic. Ischemic colitis associated with herbal product use in a young woman (Ryan et al) 309-br; Ischemic colitis and herbal treatment (Jones) 511-corr

Community Medicine. Use of clinical indicators to evaluate COPC projects (Baker et al) 355-oa; Community-oriented primary care (Sanders) 512-corr

Comorbidity. Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Computers. Introduction of handheld computing to a family practice residency program (Rao) 118-oa

Congenital Defects – see Abnormalities.

Continuity of Patient Care. My visit to urgent care (Guthmann) 423-refl

Contraception. Determining risk between Depo-Provera use and increased uterine bleeding in obese and overweight women (Connor et al) 7-oa

Correction. Empiric treatment of minimally abnormal Papanicolaou smears with 0.75% metromidazole vaginal gel (Ferrante et al) 347-oa; 456-x

Cost-Benefit Analysis. Impact of the limited generalist (no hospital, no procedures) model on the financial viability of family practice training (Rodney & Hahn) 191-oa; Making choices about the scope of family practice (Phillips & Green) 250-ed; Obstetrics in family medicine (Cooke) 434-corr

C-Reactive Protein. Relation between alcohol consumption and C-reactive protein levels in the adult US population (Stewart et al) 437-oa; C-reactive protein: potential use for the future (Grauer) 503-ed

Criminal Justice – see Criminal Law.

Criminal Law. Drug courts: a primer for the family physician (Lessenger & Roper) 289-mp

Critical Care. My visit to urgent care (Guthmann) 423-refl

Cross-Sectional Studies. Relation between alcohol consumption and C-reactive protein levels in the adult US population (Stewart et al) 437-oa; C-reactive protein: potential use for the future (Grauer) 563-ed

Current Report-HIV. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

Curriculum. Length and content of family practice residency training (Duane et al) 201-oa

Deep Vein Thrombosis – see Venous Thrombosis.

Delivery of Health Care. Family practice in a failing health care system: new opportunities to advocate for system reform (Geyman) 407-sp

Depo Provera - see Medroxyprogesterone 17-Acetate.

Depression. Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Dermoid Cyst. Large, complex, benign cystic teratoma in an adolescent (Huntington et al) 164-br

Diabetes Mellitus. Assuring the accuracy of home glucose monitoring (Alto et al) 1-oa

D-Lactic acidosis in a diabetic patient with a short bowel (Azhar & Beach) 316-br

Diabetes Mellitus/therapy. Readiness to change and clinical success in a diabetes educational program (Peterson & Hughes) 266-oa; Patient archetypes, physician archetypes, and tailored diabetes care (O'Connor) 334-ed

Diabetic Angiopathies. Successful pharmacologic treatment of lower extremity ulcerations in 5 patients

with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Domestic Violence. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Drug Industry. Are sample medicines hurting the uninsured? (Zweifler et al) 361-oa; Drug sampling: perpetuating an unjust health care system? (Buck & Wallace) 426-ed; Pharmaceutical starter samples (Teichman & Caffee) 509-corr

Drug Rehabilitation – see Substance Abuse Treatment Centers.

Drug Therapy. Undertreatment of panic disorder in primary care: role of patient and physician characteristics. (Roy-Byrne et al) 443-oa

Drug Therapy/adverse effects. Falls in rural elders: an empirical study of risk factors (Richardson et al) 179-oa

Echinacea/adverse effects. Possible leukopenia associated with long-term use of Echinacea (Franco & Kemp) 417-br

Editorials. C-Reactive protein: potential use for the future (Grauer) 503-ed

Drug sampling: perpetuating an unjust health care system? (Buck & Wallace) 426-ed

Making choices about the scope of family practice (Phillips & Green) 250-ed

Obstetrics in family medicine – can it survive? (Nesbitt) 77-ed

Patient archetypes, physician archetypes, and tailored diabetes care (O'Connor) 334-ed

Role of telemedicine in the health care delivery system. (Frey & Bratton) 170-ed

Elderly – see Aged.

Electrocoagulation. Office management of penile skin bridges with electrocautery (Naimer et al) 485-mp

Endocarditis, Bacterial/etiology. Apparent adverse outcome of acupuncture (Leavy) 246-br; Acupuncture and endocarditis (Evans) 432-corr, (Rieb) 433-corr (Leavy) 433-reply

Ephedrine. Ischemic colitis associated with herbal product use in a young woman (Ryan et al) 309-br; Ischemic colitis and herbal treatment (Jones) 511-corr

Erectile Dysfunction – see Impotence.

Exercise. Prescribing exercise for frail elders (Heath & Stuart) 218-mp

False Positive Reactions. False-positive troponin I in a young healthy woman with chest pain (Ringdahl & Stevermer) 242-br

Family Practice. Clinical judgment predicts culture results in upper respiratory tract infections (Bloom et al) 93-oa

Eighth annual Nicholas J. Pisacano, MD, memorial lecture: family medicine equals power (Bishop) 234-sp

Family practice in Thailand: will it work? (Williams et al) 73-w

For want of a pessary the life was lost (Miser) 249-refl

Impact of the limited generalist (no hospital, no procedures) model on the financial viability of family practice training (Rodney & Hahn) 191-oa; Making choices about the scope of family practice (Phillips & Green) 250-ed; Obstetrics in family medicine (Cooke) 434-corr

Introduction of handheld computing to a family practice residency program (Rao) 118-oa

My visit to urgent care (Guthmann) 423-refl

Obstetric care in family practice residencies: a 5-year follow-up survey (Ratcliffe et al) 20-oa; Obstetrics in family medicine – can it survive? (Nesbitt) 77-ed; Obstetrics in family practice (Rodney) 255-corr, (Manahan) 256-corr; Obstetrics in family medicine (Sauter) 342-corr; Obstetrics in family medicine (Cooke) 434-corr; Obstetrics in family practice (Strouse) 511-corr

Paul Young, MD, retires after 42 years of service to the specialty 338-bn

The National Institute for Program Director Development: a school for program directors (Pugno et al) 209-oa

Length and content of family practice residency training (Duane et al) 201-oa

Family Practice – World Perspective. Family practice in Thailand: will it work? (Williams et al) 73-w

Family Violence. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Family. Clinical judgment predicts culture results in upper respiratory tract infections (Bloom et al) 93 – oa

Fees and Charges. Evaluation and management coding by family physicians (Larabee & Hess) 86-corr

Foot Ulcer. Successful pharmacologic treatment of lower extremity ulcerations in 5 patients with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Forms and Records Control. Evaluation and management coding by family physicians (Larabee & Hess) 86-corr

Formularies. Restocking the sample closet: results of a trial to alter medication prescribing (Mukamal et al) 285-oa; Drug sample availability and prescribing behavior (Watts et al) 509-corr

Frail Elderly. Prescribing exercise for frail elders (Heath & Stuart) 218-mp

gamma-Hydroxybutyrate – see Sodium Oxybate.

Geriatrics. Prescribing exercise for frail elders (Heath & Stuart) 218-mp

Glucosamine. Asthma exacerbation associated with glucosamine-chondroitin supplement (Tallia & Cardone) 481-mp

Health Behavior. Readiness to change and clinical success in a diabetes educational program (Peterson & Hughes) 266-oa; Patient archetypes, physician archetypes, and tailored diabetes care (O'Connor) 334-ed

Sun protection of children at the beach (Boyett et al) 112-oa

Health Care Reform. Family practice in a failing health care system: new opportunities to advocate for system reform (Geyman) 407-sp

Health Care System. Eighth annual Nicholas J. Pisacano, MD, memorial lecture: family medicine equals power (Bishop) 234-sp

Health Status. Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Heart Failure, Congestive. Higher expectations for management of heart failure: current recommendations (Abraham & Scarpinato) 39-cr

Helicobacter pylori. Acute manic psychosis induced by triple therapy for *H pylori* (Neff & Kuo) 66-br

Diagnosis and treatment of rosacea (Cohen & Tiemstra) 214-cr

Herbal Preparations – see Plant Preparations.

Hispanic Americans. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

HIV Protease Inhibitors. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

HIV/drug therapy. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

Hypertension. Are sample medicines hurting the uninsured? (Zweifler et al) 361-oa; Drug sampling: perpetuating an unjust health care system? (Buck & Wallace) 426-ed; Pharmaceutical starter samples (Teichman & Caffee) 509-corr

Paroxysmal hypertension, pheochromocytoma, and pregnancy (Lyman) 153-mp

Hypertension/in Pregnancy. Thrombocytopenia in pregnancy (Levy & Murphy) 290-cr

Hyponatremia. A case of SSRI-induced hyponatremia (Corrington et al) 63-br

Idiopathic Intracranial Hypertension – see Pseudotumor Cerebri.

Idiopathic Thrombocytopenia Purpura – see Purpura, Thrombocytopenic, Idiopathic.

Impotence. Vacuum erection device use in elderly men: a possible severe complication (Bratton & Cassidy) 501-br

In Memoriam. Jack Froom, MD (Froom & Froom) 428-mem

Infant, Newborn, Diseases. Comparison of two prevention strategies for neonatal group B streptococcal disease (Coco) 272-oa

Infections, Streptococcal – see Streptococcus Infections.

Infections, Upper Respiratory – see Respiratory Tract Infections.

Inflammation. Relation between alcohol consumption and C-reactive protein levels in the adult US population (Stewart et al) 437-oa; C-reactive protein: potential use for the future (Grauer) 503-ed

Insurance Claim Reporting. Evaluation and management coding by family physicians (Larabee & Hess) 86-corr

Internship and Residency. Impact of the limited generalist (no hospital, no procedures) model on the financial viability of family practice training (Rodney & Hahn) 191-oa; Making choices about the scope of family practice (Phillips & Green) 250-ed; Obstetrics in family medicine (Cooke) 434-corr

Introduction of handheld computing to a family practice residency program (Rao) 118-oa

Length and content of family practice residency training (Duane et al) 201-oa

Obstetric care in family practice residencies: a 5-year follow-up survey (Ratcliffe et al) 20-oa; Obstetrics in family medicine – can it survive? (Nesbitt) 77-ed; Obstetrics in family practice (Rodney) 255-corr, (Manahan) 256-corr; Obstetrics in family medicine (Sauter) 342-corr; Obstetrics in family medicine (Cooke) 434-corr; Obstetrics in family practice (Strouse) 511-corr

The National Institute for Program Director Development: a school for program directors (Pugno et al) 209-oa

Intervention Studies. Restocking the sample closet: results of a trial to alter medication prescribing (Mukamal et al) 285-oa; Drug sample availability and prescribing behavior (Watts et al) 509-corr

Ischemia. Successful pharmacologic treatment of lower extremity ulcerations in 5 patients with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Ischemic Colitis – see Colitis, Ischemic.

Knowledge, Attitudes, Practice. Lyme disease knowledge, beliefs, and practices of New Hampshire primary care physicians (Magri et al) 277-oa

Labor/complications. Blood, sweat, and tears (Bray-Morris) 332-refl

Laser Coagulation. Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Leukopenia. Possible leukopenia associated with long-term use of Echinacea (Franco & Kemp) 417-br

Lewy Body Disease. Lewy body dementia: a case report and discussion (Khotianov et al) 50-mp

Life Change Events. Readiness to change and clinical success in a diabetes educational program (Peterson & Hughes) 266-oa; Patient archetypes, physician archetypes, and tailored diabetes care (O'Connor) 334-ed

Lupus Erythematosus, Systemic/etiology. Severe complication of a commonly prescribed drug: minocycline-induced lupus (Shepherd) 239-br; Shotty; not shoddy (Stitelman) 434-corr

Lyme Disease. Lyme disease knowledge, beliefs, and practices of New Hampshire primary care physicians (Magri et al) 277-oa

Macular Degeneration. Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Malaria, Falciparum. Malaria recurrence caused by *Plasmodium falciparum* (Omonuwa & Omonuwa) 159-br; Recurrence of *Plasmodium falciparum* malaria (de Silva) 432-corr (Omonuwa) 432-reply

Mammography. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

Managed Care Programs/economics. Effect of managed care and financing on practice constraints and career satisfaction in primary care (Sturm) 376-oa

Mass Screening. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Massage. Characteristics of licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 378-oa

Characteristics of visits to licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 463-oa

Medical Education. Impact of the limited generalist (no hospital, no procedures) model on the financial viability of family practice training (Rodney & Hahn) 191-oa; Making choices about the scope of family practice (Phillips & Green) 250-ed; Obstetrics in family medicine (Cooke) 434-corr

Length and content of family practice residency training (Duane et al) 201-oa

Use of clinical indicators to evaluate COPC projects (Baker et al) 355-oa; Community-oriented primary care (Sanders) 512-corr

Medical Practice. Asthma exacerbation associated with glucosamine-chondroitin supplement (Tallia & Cardone) 481-mp

Drug courts: a primer for the family physician (Lessenger & Roper) 289-mp

Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Human brucellosis (Sauret & Vilissova) 401-mp

Isolated traumatic rupture of the subscapularis tendon (Clark et al) 304-mp

Lewy body dementia: a case report and discussion (Khotianov et al) 50-mp

Office management of penile skin bridges with electrocautery (Naimer et al) 485-mp

Paroxysmal hypertension, pheochromocytoma, and pregnancy (Lyman) 153-mp

Prescribing exercise for frail elders (Heath & Stuart) 218-mp

Pseudotumor cerebri secondary to minocycline intake (Ang et al) 229-mp

Successful pharmacologic treatment of lower extremity ulcerations in 5 patients with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Isolated traumatic rupture of the subscapularis tendon (Clark et al) 304-mp

Medically Uninsured. Are sample medicines hurting the uninsured? (Zweifler et al) 361-oa; Drug sampling: perpetuating an unjust health care system? (Buck & Wallace) 426-ed; Pharmaceutical starter samples (Teichman & Caffee) 509-corr

Medicine, Herbal. Possible leukopenia associated with long-term use of Echinacea (Franco & Kemp) 417-br

Medroxyprogesterone 17-Acetate. Determining risk between Depo-Provera use and increased uterine bleeding in obese and overweight women (Connor et al) 7-oa

Metronidazole. Empiric treatment of minimally abnormal Papanicolaou smears with 0.75% metronidazole vaginal gel (Ferrante et al) 347-oa, 456-x

Minocycline/adverse effects. Pseudotumor cerebri secondary to minocycline intake (Ang et al) 229-mp

Severe complication of a commonly prescribed drug: minocycline-induced lupus (Shepherd) 239-br; Shotty; not shoddy (Stitelman) 434-corr

Motivation. Prescribing exercise for frail elders (Heath & Stuart) 218-mp

Naturopathy. Characteristics of licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 378-oa

Characteristics of visits to licensed acupuncturists, chiropractors, massage therapists, and naturopathic physicians (Cherkin et al) 463-oa

Neuropsychological Tests. Prospective study of brief neuropsychological measures to assess crash risk in older primary care patients (Lesikar et al) 11-oa

Nicholas J. Pisacano, MD, Foundation. Eighth annual Nicholas J. Pisacano, MD, memorial lecture: family medicine equals power (Bishop) 234-sp

Nicotine. First-line pharmacotherapy for tobacco use and dependence (Watts et al) 489-step

Nonverbal Communication. Physician-patient communication in the primary care office: a systematic review (Beck et al) 25-oa

Nutrition Surveys. Relation between alcohol consumption and C-reactive protein levels in the adult US population (Stewart et al) 437-oa; C-reactive protein: potential use for the future (Grauer) 503-ed

Obesity. Determining risk between Depo-Provera use and increased uterine bleeding in obese and overweight women (Connor et al) 7-oa

Prevalence of obesity in adult population of former college rowers (O'Kane et al) 451-oa

Obstetrics/education. Obstetric care in family practice residencies: a 5-year follow-up survey (Ratcliffe et al) 20-oa; Obstetrics in family medicine – can it survive? (Nesbitt) 77-ed; Obstetrics in family practice (Rodney) 255-corr, (Manahan) 256-corr; Obstetrics in family medicine (Sauter) 342-corr; Obstetrics in family medicine (Cooke) 434-corr; Obstetrics in family practice (Strouse) 511-corr

Office Visits. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

Evaluation and management coding by family physicians (Larabee & Hess) 86-corr

Outcome and Process Assessment (Health Care). Use of clinical indicators to evaluate COPC projects (Baker et al) 355-oa; Community-oriented primary care (Sanders) 512-corr

Ovarian Neoplasms. Large, complex, benign cystic teratoma in an adolescent (Huntington et al) 164-br

Panic Disorder. Alprazolam-induced panic disorder (Bashir & Swartz) 69-br

Undertreatment of panic disorder in primary care: role of patient and physician characteristics (Roy-Byrne et al) 443-oa

Parkinsonian Disorders. Lewy body dementia: a case report and discussion (Khotianov et al) 50-mp

Paroxetine/adverse effects. A case of SSRI-induced hyponatremia (Corrington et al) 63-br

Patient Education. Use of clinical indicators to evaluate COPC projects (Baker et al) 355-oa; Community-oriented primary care (Sanders) 512-corr

Penile Diseases. Office management of penile skin bridges with electrocautery (Naimer et al) 501-mp

Peptic Ulcer/drug therapy. Acute manic psychosis induced by triple therapy for *H pylori* (Neff & Kuo) 66-br

Personal Satisfaction. Effect of managed care and financing on practice constraints and career satisfaction in primary care (Sturm) 376-oa

Personnel Selection. Gender-related factors in the recruitment of physicians to the rural northwest (Ellsbury et al) 391-oa

Pharmaceutical Preparations/supply & distribution. Are sample medicines hurting the uninsured? (Zweifler et al) 361-oa; Drug sampling: perpetuating an unjust health care system? (Buck & Wallace) 426-ed; Pharmaceutical starter samples (Teichman & Caffee) 509-corr

Pharyngitis. Accuracy of rapid strep testing in patients who have had recent streptococcal pharyngitis (Sheeler et al) 261-oa; Rapid strep testing (Trotter) 510-corr (Sheeler) 510-reply

Pheochromocytoma. Paroxysmal hypertension, pheochromocytoma, and pregnancy (Lyman) 153-mp

Photochemotherapy. Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Photosensitizing Agents. Early detection and treatment of neovascular age-related macular degeneration (Bressler) 142-mp

Physician Executives/education. The National Institute for Program Director Development: a school for program directors (Pugno et al) 209-oa

Physician's Practice Patterns. Influence of new evidence on prescription patterns (Calvo & Rubinstein) 457-oa

Undertreatment of panic disorder in primary care: role of patient and physician characteristics (Roy-Byrne et al) 443-oa

Physician-Patient Relations. For want of a pessary the life was lost (Miser) 249-refl

Physician-patient communication in the primary care office: a systematic review (Beck et al) 25-oa

Physicians, Family. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

Evaluation and management coding by family physicians (Larabee & Hess) 86-corr

Influence of new evidence on prescription patterns (Calvo & Rubinstein) 457-oa

Physicians, Women. Gender-related factors in the recruitment of physicians to the rural northwest (Ellsbury et al) 391-oa

Physicians. Lyme disease knowledge, beliefs, and practices of New Hampshire primary care physicians (Magri et al) 277-oa

Plant Preparations. Ischemic colitis associated with a herbal product use in a young woman (Ryan et al) 309-br; Ischemic colitis and herbal treatment (Jones) 511-corr

Plasmodium falciparum Malaria – see Malaria, Falciparum.

Platelet Aggregation Inhibitors. Successful pharmacologic treatment of lower extremity ulcerations in 5 patients with chronic critical limb ischemia (Dean & Vaccaro) 55-mp

Population Surveillance. Use of clinical indicators to evaluate COPC projects (Baker et al) 355-oa; Community-oriented primary care (Sanders) 512-corr

Pregnancy. Paroxysmal hypertension, pheochromocytoma, and pregnancy (Lyman) 153-mp

Prenatal Care. Thrombocytopenia in pregnancy (Levy & Murphy) 290-cr

Prescriptions, Drug. Influence of new evidence on prescription patterns (Calvo & Rubinstein) 457-oa

Prescriptions, Drug/economics. Restocking the sample closet: results of a trial to alter medication prescribing (Mukamal et al) 285-oa; Drug sample availability and prescribing behavior (Watts et al) 509-corr

Primary Health Care. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Variability in physician referral decisions (Starfield et al) 473-oa

Professional Practice. Restocking the sample closet: results of a trial to alter medication prescribing (Mukamal et al) 285-oa; Drug sample availability and prescribing behavior (Watts et al) 509-corr

Professional-Patient Relations. Physician-patient communication in the primary care office: a systematic review (Beck et al) 25-oa

Pseudotumor Cerebri. Pseudotumor cerebri secondary to minocycline intake (Ang et al) 229-mp

Psychological Stress. Spiritual component of patients who experience psychological trauma: family physician intervention (McBride) 168-refl

Puerperal Infection. Comparison of two prevention strategies for neonatal group B streptococcal disease (Coco) 272-oa

Pulmonary Embolism. Chronic thromboembolic disease in a 43-year-old man (Savoia-McHugh & Menzies) 313-br

Purpura, Thrombocytopenic, Idiopathic. Thrombocytopenia in pregnancy (Levy & Murphy) 290-cr

Quality of Life. Health perception, pain, and disability as correlates of anxiety and depression symptoms in primary care patients (Wu et al) 183-oa

Referral and Consultation. Low-bandwidth, low-cost telemedicine consultations in rural family practice (Norris et al) 123-oa; Role of telemedicine in the health care delivery system. (Frey & Bratton) 170-ed

Variability in physician referral decisions (Starfield et al) 473-oa

Reflections in Family Practice. Blood, sweat, and tears (Bray-Morris) 332-refl

For want of a pessary the life was lost (Miser) 249-refl

My visit to urgent care (Guthman) 423-refl

Spiritual component of patients who experience psychological trauma: family physician intervention (McBride) 168-refl

Residency, Medical – see Internship and Residency.

Respiratory Tract Infections. Clinical judgment predicts culture results in upper respiratory tract infections (Bloom et al) 93 – oa

Reverse Transcriptase Inhibitors. Treatment of AIDS and HIV-related conditions—2002: antiretroviral therapy (Goldschmidt & Dong) 319-crHIV

Rhinophyma. Diagnosis and treatment of rosacea (Cohen & Tiemstra) 214-cr

Risk Assessment. Prospective study of brief neuropsychological measures to assess crash risk in older primary care patients (Lesikar et al) 11-oa

Rosacea – see Acne Rosacea.

Rupture. Isolated traumatic rupture of the subscapularis tendon (Clark et al) 304-mp

Rural Health Services. Gender-related factors in the recruitment of physicians to the rural northwest (Ellsbury et al) 391-oa

Low-bandwidth, low-cost telemedicine consultations in rural family practice (Norris et al) 123-oa; Role of telemedicine in the health care delivery system. (Frey & Bratton) 170-ed

Rural Health. Falls in rural elders: an empirical study of risk factors (Richardson et al) 179-oa

Self-Help Devices. Vacuum erection device use in elderly men: a possible severe complication (Bratton & Cassidy) 501-br

Serotonin Uptake Inhibitors. A case of SSRI-induced hyponatremia (Corrington et al) 63-br

Sigmoidoscopy. Technical competency in flexible sigmoidoscopy (Ramakrishnan) 173-corr

Skin Neoplasms. Sun protection of children at the beach (Boyett et al) 112-oa

Sleep Apnea, Obstructive. Sleep apnea: from the nose to the heart (Cutler et al) 128-cr; Management of sleep apnea (Clemenson) 433-corr

Smoking Cessation. First-line pharmacotherapy for tobacco use and dependence (Watts et al) 489-step

Smoking. Maternal Smoking and congenital birth defects (Morgan) 85-corr (Woods) 85-reply

Sodium Oxybate. Treatment of a young adult taking gamma-butyrolactone (GBL) in a primary care clinic (Herold & Sneed) 161-br

Special Communication. Eighth annual Nicholas J. Pisacano, MD, memorial lecture: family medicine equals power (Bishop) 234-sp

Family practice in a failing health care system: new opportunities to advocate for system reform (Geyman) 407-sp

Specialists, Medical. Influence of new evidence on prescription patterns (Calvo & Rubinstein) Nov-oa

Variability in physician referral decisions (Starfield et al) 473-oa

Spiritual Therapies. Spiritual component of patients who experience psychological trauma: family physician intervention (McBride) 168-refl

Sports. Prevalence of obesity in adult population of former college rowers (O'Kane et al) 451 oa

Standards. Association and characteristics for screening mammography (Teichman) 86-corr (Nutting et al) 87-reply

STEPped Care. First-line pharmacotherapy for tobacco use and dependence (Watts et al) 489-step

Street Drugs. Treatment of a young adult taking gamma-butyrolactone (GBL) in a primary care clinic (Herold & Sneed) 161-br

Streptococcus agalactiae/prevention & control: Infection Control. Comparison of two prevention strategies for neonatal group B streptococcal disease (Coco) 272-oa

Streptococcus Infections. Accuracy of rapid strep testing in patients who have had recent streptococcal pharyngitis (Sheeler et al) 261; Rapid strep testing (Trotter) 510-corr (Sheeler) 510-reply

Stress Disorders, Post-Traumatic. Spiritual component of patients who experience psychological trauma: family physician intervention (McBride) 168-refl

Substance Abuse Disorders. Treatment of a young adult taking gamma-butyrolactone (GBL) in a primary care clinic (Herold & Sneed) 161-br

Substance Abuse Treatment Centers. Drug courts: a primer for the family physician (Lessenger & Roper) 289-mp

Sunburn. Sun protection of children at the beach (Boyett et al) 112-oa

Sunscreening Agents. Sun protection of children at the beach (Boyett et al) 112-oa

Telemedicine. Low-bandwidth, low-cost telemedicine consultations in rural family practice (Norris et al) 123-oa; Role of telemedicine in the health care delivery system. (Frey & Bratton) 170-ed

Tendon Injuries. Isolated traumatic rupture of the subscapularis tendon (Clark et al) 304-mp

Teratoma. Large, complex, benign cystic teratoma in an adolescent (Huntington et al) 164-br

Thailand. Family practice in Thailand: will it work? (Williams et al) 73-w

Thrombocytopenia/in pregnancy. Thrombocytopenia in pregnancy (Levy & Murphy) 290-cr

Thromboembolism. Chronic thromboembolic disease in a 43-year-old man (Savoia-McHugh & Menzies) 313-br

Tobacco Use Disorder. First-line pharmacotherapy for tobacco use and dependence (Watts et al) 489-step

Troponin I. False-positive troponin I in a young healthy woman with chest pain (Ringdahl & Stevermer) 242-br

Uterine Hemorrhage. Determining risk between Depo-Provera use and increased uterine bleeding in obese and overweight women (Connor et al) 7-oa

Vaginal Smears. Empiric treatment of minimally abnormal Papanicolaou smears with 0.75% metronidazole vaginal gel (Ferrante et al) 347-oa; 456-x

Vaginosis, Bacterial. Empiric treatment of minimally abnormal Papanicolaou smears with 0.75% metronidazole vaginal gel (Ferrante et al) 347-oa; 456-x

Venous Thrombosis. Chronic thromboembolic disease in a 43-year-old man (Savoia-McHugh & Menzies) 313-br

Verbal Behavior. Physician-patient communication in the primary care office: a systematic review (Beck et al) 25-oa

Verteporfin/therapeutic use – see Photosensitizing Agents.

Woman, Abused. Screening for abuse in Spanish-speaking women (Fogarty & Brown) 101-oa

Author Index Vol 15, 2002
